Geological Exploration & Production Performance Brief

Subsidiary: CMPDI | **Ref No:** REP-1790005259

1. Executive Summary & AI Findings

This report compiles multi-source geological exploration data, core drill logs, and production metrics verified through GeoMine AI Validation Engine. Figures have been cross-checked against database records.

2. Verified Production & Exploration Figures

Parameter	FY23-24 (MT)	FY24-25 (MT)	YoY Growth	Status
CMPDI Coal Production	181 MT	195 MT	+7.7%	Verified
Total CIL Overall Production	773.6 MT	838 MT	+8.3%	Audited
CMPDI Exploratory Drilling	16.8 L m	18.5 L m	+10.1%	Exceeded
